If you have a Danish residence permit or if you are a European Union citizen, there is a possibility for you to become registered as self-employed.

Do you need assistance getting registered as self-employed?

Or assistance in drawing up a statement of accounts, reporting VAT and tax, or filing an estimate of future income with the tax office?

Pro Vest invites you to come and discuss these issues with us on the second Monday of each month. You will also be offered assistance from an auditor on how to:

- become registered as self-employed
- keep the accounts
- report VAT
- complete an income tax return
- make tax and VAT payment as well as any other matters associated with being self-employed.

You can **see the auditor in our office from 16:00 – 17:30** on the following dates in 2010: 11.1., 8.2., 8.3., 12.4., 10.5., 14.6., 12.7., 9.8., 13.9., 11.10., 8.11., 13.12.

Please feel free at all times to contact us by telephone or drop by our offices for a talk.

Best regards
Pro Vest
