## Pro Vest

### Anonymous counselling and health check for foreign women with experience from prostitution

#### Pro Vest offers:

- Opportunity to talk about your situation
- Advice on how best to look after yourself
- Information about possibilities and rights
- Counselling on work and registration as self-employed
- Support if you are being exploited or forced into prostitution against your will
  
- **Health check:**  
Our Health Clinic offers you free and anonymous consultation with a female doctor. Opening hours of the clinic are every **Tuesday between 5 and 7 p.m.**
  
- **Drop-in-Centre:**  
The centre always welcomes you for a cup of coffee in nice surroundings. It also offers Internet access, various information pamphlets, second-hand clothes and the loan of books/magazines.  
  
The centre is open along with the Health Clinic **every Tuesday between 5 and 7 p.m.** and at other hours by appointment.
  
- **Outreach work:**  
We visit massage parlours and other prostitution communities in the Region of Southern Denmark.

We shall not ask about your name and no papers are needed from you. We observe secrecy and will not pass on any information given.

If the services of an interpreter are needed, we shall arrange for that. It is free of charge, and the interpreter observes secrecy as well.

We hand out **free condoms**.

If you have questions or would like a visit, please feel free to call us at: 2169 2988 / 2169 3414.

Best regards
